This document updates the last filed Motion for Revocation wherein the court scheduled a hearing. In view thereof, we respectfully petition the court for the issuance of a warrant and recommend that the term of supervision be revoked. Since the defendant has a history of violence and a history of absconding, it is recommended that this petition and order be placed under seal until execution of the warrant. The purpose of sealing this document is to facilitate officer safety and to disallow the defendant's knowledge of issuance of the warrant.

This the 28th day of November, 2023.

I declare under penalty of perjury that the foregoing is true and correct.
